HOUSE RULES

We always go large, so **50ml measures** are served as standard. 25ml measures are available on request as are 125ml glasses of wine.

Don't ask for less ice, it is there to keep your drink cold and undiluted, so it is perfect from first to last sip.

Remember our neighbours and exit the bar quietly. We can call you a cab if you have a long way to go.

No tacky fancy dress, confetti, glitter, inflatables, etc.

We are lucky enough to be custodians of a historic Georgian building, but this means there are several levels and a few stairs so do **watch your step** and use the handrails provided.

Trust your bartender - we're here to help. And remember, service isn't included!

Ask about allergens - your bartender has all the info.

Information
